CERTIFICATE OF COMPLETION POLICY

- 1.) In order to receive a certificate of completion you must pay all school fees, attend all classes, and turn in documentation of all required self help meetings. If you do not complete this within one year you will be required to update your paperwork, attend classes, and be reassessed.
- 2.) IF you are referred to Level III we must receive documentation from the treatment provider that you have completed all treatment requirements as determined by the Clinical Staff of the Safety Center and listed on your Placement Plan Agreement.
- 3.) Please be advised that if you come to the office or classes under the influence of alcohol or other drugs or if you are re-arrested for an alcohol or drug related offense you will not be issued a certificate of completion until you update your paperwork and interview with a counselor to determine what steps you must take to qualify for a certificate of completion. This office can deny a certificate of completion if you continue to present a serious risk to public safety.
- 4.) If you need a "Status Letter" for a probation officer or for court, one will be provided to you at no charge. A "Status Letter" will not meet the driver's license reinstatement requirements of the Department of Safety.
- 5.) If you are re-arrested for DUI, but it is dismissed, we will issue the certificate of completion as soon as you meet the requirements of #3.
- 6.) If you are convicted of a new DUI or an alcohol related reckless driving, you will be referred to the Safety Center's Level III program. You must complete all of Level III requirements to receive a certificate of completion.
- 7.) If you lose your certificate of completion and require a duplicate certificate, the Safety Center will run a new arrest history. If you have not been re-arrested for another alcohol related or drug related offense you will be eligible for a duplicate certificate. You will have a \$10.00 fee to pay for the review of your record and the new certificate.
